

BLOCKAID MASTER SUBSCRIPTION AGREEMENT

THIS MASTER SUBSCRIPTION AGREEMENT (THIS "AGREEMENT") IS ENTERED INTO BETWEEN BLOCKAID INC. OR ITS AFFILIATES ("BLOCKAID" OR THE "COMPANY") AND THE CUSTOMER LISTED ON THE ORDER FORM ("CUSTOMER"), WHEREBY CUSTOMER PURCHASES A SUBSCRIPTION TO THE COMPANY'S SERVICES.

CUSTOMER ACCEPTS AND AGREES TO BE BOUND BY THIS AGREEMENT BY ACKNOWLEDGING SUCH ACCEPTANCE DURING THE REGISTRATION PROCESS AND ALSO BY CONTINUING TO USE THE SERVICE. IF THE PERSON ENTERING INTO THIS AGREEMENT IS DOING SO ON BEHALF OF A COMPANY OR OTHER LEGAL ENTITY, SUCH PERSON REPRESENTS THAT HE/SHE HAS THE AUTHORITY TO BIND SUCH ENTITY TO THIS AGREEMENT.

The "Effective Date" of this Agreement is the date which is the earlier of Customer's initial access to the Service or the effective date of the first Order Form, referencing this Agreement. This Agreement will govern Customer's initial purchase on the Effective Date as well as any future purchases made by the Customer that reference this Agreement.

1. **Definitions.** The following capitalized terms have the meanings set forth below:

- 1.1. **Affiliate** means any entity that directly or indirectly controls, is controlled by, or is under common control with the subject entity.

- 1.3. **Feature** means any module, tool, functionality, or feature of the Service, as may be available from time to time.
- 1.4. **Initial Subscription Term** means the Service initial subscription period specified in the Order Form.
- 1.5. **Order Form** means the order form for the Service and any related services, to which this Agreement is incorporated into by reference. The "Order Form" shall include the relevant usage and volume parameters, as well as the commercial terms, agreed between the Parties.

- 1.7. **Users** means an employee of Customer authorized to access and use the Service.

2. **Chain and Co-Signer Services**

To the extent that Customer is purchasing Chain or Co-Signer Services, as set forth in the applicable Order Form, then the terms set forth in **Exhibit A** (Chain Services) and/or **Exhibit B** (Co-Signer Services) shall apply in addition to the provisions of this Agreement. Exhibits A and B are hereby

incorporated into and made a part of this Agreement by reference.

In the event of a conflict between this Agreement and the applicable Exhibit solely with respect to such services, the applicable Exhibit shall prevail.

Each Exhibit shall only apply if, and to the extent that, Customer purchases the corresponding service as indicated in an applicable Order Form.

The term Agreement shall include all Exhibits and Annexes hereto.

3. **Ordering**

- 3.1. Customer may place an order for Services directly with Blockaid or one of its Affiliates (a "**Direct Order**"). Order Forms may be entered into by Blockaid with Customer or Customer Affiliates. Each Order Form is hereby incorporated into this Agreement by reference and shall be deemed to be a stand-alone agreement that incorporates by reference the terms of this Agreement. A Customer Affiliate will have the right to enter into an Order Form referencing this Agreement and thereby indicating its agreement to be bound by the terms of this Agreement as if it were an original party hereto. In such case, for purposes of such Order Form, such Customer Affiliate will be deemed to be the "Customer" hereunder. Any Customer Affiliate may be required to enter into a separate Order Form with Blockaid.

4. **Ordering Via Partner**

- 4.1. If Customer has purchased a subscription pursuant to the terms hereof from a partner,

reseller or distributor authorized by Blockaid (“**Partner**”), to the extent there is any conflict between this Agreement and the agreement entered between Customer and the respective Partner, (“**Partner Agreement**”), then, as between Customer and Blockaid, this Agreement shall prevail. Any rights granted to Customer in such Partner Agreement which are not contained in this Agreement, apply only in connection with such Partner. In that case, Customer must seek redress or realization or enforcement of such rights solely with such Partner and not Blockaid. The Partner is not authorized to make any promises or commitments on Blockaid's behalf, and Blockaid is not bound by any obligations to Customer other than as set forth in this Agreement.

- 4.2. For Subscriptions purchased from a Partner, Customer will pay the applicable amounts to the Partner, as agreed between Customer and the Partner under the Partner Agreement. Company may suspend or terminate Customer's Subscription if Company does not receive the applicable Fees from the Partner.
- 4.3. An order submitted by a Partner for the purchase of a subscription on behalf of a Customer (a “**Partner Order Form**”) together with a Direct Order are referred to herein together as an “Order Form”.

5. **Subscription.**

- 5.1. Subject to the terms and conditions of this Agreement (including without limitation the payment obligations set forth herein or in an Order Form), Company hereby grants Customer a limited, worldwide, non-exclusive, non-sublicensable, non-transferable and revocable right to remotely access (i.e. on a SaaS basis) the Company's (i) proprietary solution; and (ii) management platform; and (iii) any other services; all as applicable and as specified in the Order Form or as may be mutually agreed by the parties in any future order form (the "Services") during the Subscription Term (as defined below), solely for Customer's internal purposes (collectively, the "Subscription"). Unless otherwise indicated, the term "Subscription" also includes any software revisions, fixes and/or updates and any manual or documentation provided or made available to Customer in connection with the operation of the Service (“**Documentation**”). Customer may use the Service subject to the use limitations specified in this Agreement and the respective Order Form and applicable laws and regulations. Any use of the Service in excess of the Subscription Scope shall be

subject to the payment of the additional usage fees specified in the Order Form.

Customer shall be solely responsible for providing all equipment, systems, assets, access, and ancillary goods and services needed to access and use the Service, for ensuring their compatibility with the Service.

- 5.2. Additional Purchases. Purchases of or access to additional Features not specified in the initial Order Form ("Additional Purchases"), shall be made by a mutually signed written addendum to the Order Form or by executing a new Order Form, in each case according to the pricing agreed between the Parties or the pricing currently extend for such Additional Purchases.
- 5.3. Account Setup. In order to access the Service, Customer is required to set up an administrative account with Company, by submitting the information requested in the applicable Service interface ("Account"), and each User may need to set up a user account (each, a "User Account", and references herein to the "Account" shall be deemed to include all such User Accounts if applicable). Customer warrants that all information submitted during the registration process is, and will thereafter remain, complete and accurate. Customer shall be responsible and liable for all activities that occur under or in the Account. Customer will require that all Users keep user ID and password information strictly confidential and not share such information with any unauthorized person. Customer will be fully responsible and liable for any breach of this Agreement by a User. Any unauthorized access or use of the Service must be immediately reported to the Company.
- 5.4. Hosting. The Service is hosted by a third-party hosting services provider selected by Company ("**Hosting Provider**"), and accordingly the availability of the Service shall be in accordance with the Hosting Provider's then-current uptime commitments.

6. **Subscription Fees.**

- 6.1. Fees. In consideration of the Services, Customer shall pay Company the Subscription fees specified in the Order Form (the "**Subscription Fees**" or "**Fees**").
- 6.2. General. Unless expressly stated otherwise in the Order Form: (i) all Fees are stated, and are to be paid, in U.S. Dollars; (ii) all payments under this Agreement are non-refundable, and are without any right of set-off or cancellation; (iii) Fees for the entire Subscription Term set out in the applicable

Order Form are due at the commencement of such Subscription Term and payable as described in the Order Form; (iv) all Fees are payable, and shall be invoiced and paid within thirty (30) days of the date of the invoice; (v) it is hereby agreed that Company may, in its sole discretion, update the Fees upon any renewal of an Order Form; and (vi) any amount not paid when due will accrue interest on a daily basis until paid in full, at the lesser of the rate of (a) one and a half percent (1.5%) per month; or (b) the highest amount permitted by applicable law.

6.3. **Suspension.** Company reserves the right to temporarily suspend provision of Service in the event that: (i) none or late payment; (ii) if Company reasonably determines suspension is necessary to avoid material harm to Company or its other customers, including if the Service's cloud infrastructure is experiencing denial of service attacks or other attacks or disruptions outside of Company's control, (iii) as required by law or at the request of governmental entities; or (iv) if Company deems such suspension necessary as a result of Customer's breach under Section 6 (Subscription Restrictions).

6.4. **Taxes.** Amounts payable under this Agreement are exclusive of all applicable sales, use, consumption, value added and other direct or indirect taxes, charges, duties and levies. In the event that Customer is required by any law applicable to it to withhold or deduct taxes for any payment under this Agreement, then the amounts due to Company shall be increased by the amount necessary so that Company receives and retains, free from liability for any deduction or withholding, an amount equal to the amount it would have received had Customer not made any such withholding or deduction. Any terms or conditions (whether printed, hyperlinked, or otherwise) in a purchase order or related correspondence, which purport to modify or supplement this Agreement (or the corresponding Order Form), shall be void and of no effect.

Subscription Restrictions. Except as expressly permitted otherwise under this Agreement, Customer shall not and shall not allow any User to: (i) utilize the Services, including the Outputs (as defined below), for the purpose of offering them as standalone products; (ii) copy, "frame" or "mirror" the Service; (iii) sell, assign, transfer, lease, rent, sublicense, or otherwise distribute or make available the Service to any third party (such as offering it as part of a time-sharing, outsourcing or service bureau environment),

7. Customer Data.

7.1. As between the parties, Customer owns and retains all right, title and interest (including all intellectual property rights) in and to any data or information that Customer provides or uploads into the Service ("**Service Inputs**"). Customer has exclusive control and responsibility for determining what Service Inputs it and its permitted Users submit into the Service and for obtaining all necessary rights, consents, and permissions for submission of Service Inputs and processing instructions to the Company. To the extent the Service Inputs include any personally identifiable information, Customer confirms that it has received and/or obtained any and all required consents or permits and has acted in compliance with any and all applicable privacy laws. Customer hereby grants to the Company a non-exclusive, worldwide, royalty-free, non-transferable right to use Service Inputs for the purposes detailed under this Agreement.

7.2. If the Customer Inputs contain personally identifiable information, to the extent applicable, the Parties shall comply with

Company's Data Processing Agreement ("DPA") available at <http://blockaid.io/legal/dpa> and Company's Privacy Policy available on the Company's website, both as may be amended from time to time. Customer acknowledges and agrees that the Company may collect and process Service Inputs for its business purposes including without limitation to develop, improve, support, secure and operate the Services and to comply with legal obligations under applicable laws and regulations. Notwithstanding the foregoing, nothing in this Agreement shall restrict the Company's use of Customer Input that has been anonymized and/or aggregated.

8. **Mutual Warranties.** Each Party represents and warrants that it is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or organization; and that the execution and performance of this Agreement will not conflict with other agreements to which it is bound or violate applicable laws and regulations including but not limited to those related to consumer protection, e-money licenses, anti-bribery, anti-corruption, money laundering, export control and trade sanctions or terrorist finance.

9. **Intellectual Property Rights.**

9.1. As between the Parties, Company is, and shall be, the sole and exclusive owner of all intellectual property rights in and to: (a) the Service and all related software and intellectual property; (b) any data generated by any Services or created by the Company in performing the Services and that may include logs, statistics, results reports and outputs that were created by the Company during the course of, and in connection with, the Services, including with respect to the integrity or security of the Service Inputs ("**Outputs**"), each (a) and (b) including any and all improvements, derivative works, and/or modifications of/to the foregoing, regardless of inventorship or authorship; and (c) any customer feedback, suggestions, or ideas for or about the Service whether verbally or in writing (collectively, "**Feedback**"). It is further understood that use of Feedback, if any, may be made by Company at its sole discretion, and that Company in no way shall be obliged to make use of the Feedback or compensate the Customer for such use in any way.

Customer shall make, and hereby irrevocably makes, all assignments necessary or reasonably requested by Company to ensure and/or provide Company the ownership rights

set forth in this paragraph. Company shall be entitled, from time to time, to modify and replace the Features (without materially changing the Service's functionality) and user interface of the Service. Nothing herein constitutes a waiver of Company's intellectual property rights under any law.

9.2. While making the Service's results and/or Outputs available to its end users, Customer is obligated to display Company's name and logo.

10. **Confidentiality.** Each Party may have access to certain non-public information and materials of the other Party, in any form or media, including without limitation trade secrets and other information related to the products, software, technology, data, know-how, or business of the other Party, and any other information that a reasonable person should have reason to believe is proprietary, confidential, or competitively sensitive (the "**Confidential Information**"). For clarity, the Outputs are Company's Confidential Information and may solely be shared by the Customer with its end users as permitted herein and under the applicable Order Form during an active Subscription Term. Each Party shall take reasonable measures, at least as protective as those taken to protect its own confidential information, but in no event less than reasonable care, to protect the other Party's Confidential Information from disclosure to a third party. The receiving party's obligations under this Section 10, with respect to any Confidential Information of the disclosing party, shall not apply to and/or shall terminate if such information: (a) was already lawfully known to the receiving party at the time of disclosure by the disclosing party; (b) was disclosed to the receiving party by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of the receiving party has become, generally available to the public; or (d) was independently developed by the receiving party without access to, use of, or reliance on, the disclosing party's Confidential Information. Neither Party shall use or disclose the Confidential Information of the other Party except for performance of its obligations under this Agreement ("**Permitted Use**"). The receiving Party shall only permit access to the disclosing Party's Confidential Information to its respective employees, consultants, affiliates, agents and subcontractors having a need to know such information in connection with the Permitted Use, who have signed a like-written confidentiality undertaking or are otherwise bound by a duty of confidentiality to the receiving party at least as restrictive as the terms

set forth herein; in any event, the receiving party shall remain liable for any acts or omissions of such persons. The receiving party will be allowed to disclose Confidential Information to the extent that such disclosure is required by law or by the order of a court or similar judicial or administrative body, provided that, if legally permissible, it promptly notifies the disclosing Party in writing of such required disclosure to enable disclosing party to seek a protective order or otherwise prevent or restrict such disclosure and cooperates reasonably with disclosing party in connection therewith. The Customer agrees to fully reimburse the Company for all reasonable and documented costs, expenses, and internal resource allocation incurred by the Company in connection with responding to such disclosure request, including but not limited to legal costs and expenses, external advisory fees, personnel time, and administrative costs. All right, title and interest in and to Confidential Information is and shall remain the sole and exclusive property of the disclosing Party.

Use of the Service during such Evaluation period shall be solely for the purpose of evaluating and testing the Services for Customer’s internal use to determine whether to purchase a subscription. The Company may terminate Customer’s access to and use of any Evaluation at any time. Evaluations are provided on an “as is” “where is” basis without guaranteed support levels, indemnification, or warranty of any kind, whether express, implied, statutory, or otherwise. A list of such components shall be made available to Customer upon request and may be updated from time to time by Company. If there is a conflict between any open-source license and the terms of this Agreement, then the open-source license

terms shall prevail but solely in connection with the related third-party open-source software. Company makes no warranty or indemnity hereunder with respect to any third-party open-source software.
